

## *Other refuse not accepted at the Refuse Disposal Centre*

COMMUNE DE GRYON  
Refuse Disposal Centre  
2011

### TOXIC WASTE

These products, such as paint, detergents or other similar products are to be placed at the Aigle Rubbish Collection Center where an appropriate area exists. In the case of products with high toxicity, please contact CRIDEC at Eclépens, tel. n° 021 866'03'00

### DIVERSE MEDICINE

These products must be returned to the pharmacy or chemists where they were obtained.

### ORDINARY HOUSHOLD RUBBISH

Rubbish collection takes place twice a week, on Mondays and Thursdays. The official red bin bags must be placed in the collection depots, cabins and containers. They must contain only ordinary household rubbish.

**The official binbags may be bought in the two general food shops in Gryon and Barbolese, at the SAS Alpe des Chaux, at the Tourist Office and the Commune office.**

A roll of 10 bags of 17 litres	fr. 10.-
A roll of 10 bags of 35 litres	fr. 20.-
A roll of 10 bags of 60 litres	fr. 33.50
A roll of 5 bags of 110 litres	fr. 28.75

Babies' nappies or large packaging from medical supplies may be placed in transparent bin bags making the contents of the bag easily visible and placed in the usual rubbish containers.

Non-official black bin bags will be opened and checked and the owners fined.

***Refuse accepted at the Refuse Disposal Centre :***

## **GARDEN REFUSE, GRASS, LAWN, BRANCHES**

Must be placed in the area reserved or follow the instructions according to the supervisor. A deposit tax will be perceived on any deposit exceeding 1 m3.

Apart from individual composting, the deposit of the above items any where else than the Disposal Centre "la Mossette" is forbidden.

## **DIVERSE METALLIC RUBBISH**

Scrap metal of all kinds, steel, cast-iron, etc... are to be placed in the skip reserved.

## **PAPER**

To be placed in the skip reserved for paper according to the opening times. A collection throughout the village will take place every 2 months according to the dates mentioned above. In every case the paper must be placed before 8 a.m on the side of the main road in tidy parcels tied with string or placed in solid cardboard boxes easily evacuated.

## **INCINERABLE REFUSE**

A skip is available for all incinerable refuse i.e wood, mattresses, clothes, polystyrene, plastics, etc...

## **USED TIRES**

They must be placed at the place indicated against payment. They will systematically have the rims removed. The easiest thing to do is to have them taken back by the garagist who is selling you new tires.

## **FRIDGE, FREEZERS**

These are accepted free of charge.

## **BATTERIES AND CAR BATTERIES**

These products must be taken back to the shop where they were bought. However, it is possible to deposit them in the vats available.

## **COMPUTER EQUIPMENT AND HOUSEHOLD ELECTRICAL APPLIANCES**

These items are accepted without payment and must be placed on the pallets provided or according to the supervisor's instructions.

Just to remind you that all shops that sell you the above appliances are to remove your old appliance.

## **ALUMINIUM AND TIN CANS**

These items to not need to be separated and simply placed in the large container reserved for aluminium.

## **ALL SORTS OF GLASS**

To be placed in the containers reserved just for glass, available at all rubbish collection points. All glass bottles must be free of foreign objects.

## **COFFEE CAPSULES « NESPRESSO »**

To be placed in the container especially provided.

## **USED OILS - VEGETABLE AND MINERAL**

Special containers may be found in the collection hut. Vegetable oils (peanut, olive, etc...) and mineral (motor oil) do not need to be separated. All grease and oils under no circumstances may be put in the WC.

## **RECYCLABLE PLASTIC BOTTLES**

Must be placed in the bins provided. Recyclable plastic bottles (PET) must have the corresponding symbol. A container for white plastic (milk) bottles (PE) is also available.

## **BULKY OBJECTS**

Please place all bulky objects at the side of the road on the dates previously mentioned. In the case of large quantities, a surcharge may be demanded. For extra special collections, it is possible to contact the technical services department of the commune tel. n° 024 498'00'33, according to the same conditions mentioned above. However, this service is reserved for non-motorized people (e.g aged, sick or handicapped).
